KEEP YOUR AREA CLEAN & USE THE BINS PROVIDED It is the guests responsibility to ensure that all general waste is placed in the ENWASTE bins provided. Large items like furniture or mattresses are not to be discarded into these bins. Additional charges will be deducted from your credit card if your area is left in an unsatisfactory way, if our property has been damaged, or items have been left behind.

NO SMOKING OR PETS INSIDE OUR ACCOMMODATION Cleaning charges will be deducted from your credit card if you have smoked in your room. Pets are only allowed if you are travelling in your own facilities. Please be responsible for picking up your pet's messes & they must remain on leads at all times.

NO SMOKING AT THE RECEPTION & RESTAURANT AREA We require all guests to smoke only on the grassed areas & to please use the bins provided for

all cigarette butts. Smoking in these areas after hours when the reception & diner is closed is also not permitted.

KEEP THE CAMP KITCHEN CLEAN The camp kitchen is for the use of all guests & closes at 9:30pm daily. It is only courteous to ensure that you clean up your own mess for the next person. Your cooking equipment & personal items are not to be left behind or stored in the shelves but taken back to your campsite on completion. Please note that items left behind will be discarded.

PLEASE PLACE YOUR FOOD ITEMS IN A LABELLED BAG if you are using the fridges at the camp kitchen. No boxes or cartons are allowed in the fridges. Please note that loose items that are not stored in a labelled bag will be discarded.

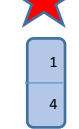

ONLY TOILET PAPER IS TO BE FLUSHED DOWN THE TOILETS Sanitary napkins, tampons & wet wipes will block the pipes & cause problems to our system. We appreciate any plumbing issues being reported & if the amenities are in a unsatisfactory way, please let us know immediately for us to rectify the issue.

ADD ONE 20c COIN AT A TIME IN THE SHOWERS to provide 4 minutes of hot water in summer & 6 minutes in winter. The timers have been installed as we are not on town water & we purchase our own supply for guests. We offer change at reception during business hours. We ask all guests to please be respectful & keep the noise to a minimum if you are using the amenities after hours.

PLEASE BE WATER CONSCIOUS if you are using the laundry tubs for handwashing. We also offer machines that take 4 x \$1 coins for a wash & 4 x \$1 coins for a dry. Clothes lines are provided & we appreciate if you do not erect your own for safety reasons. Please report any laundry machinery issues to reception immediately so we can rectify the problem.

CAMPFIRES DIRECTLY ON THE GROUND ARE NOT ALLOWED We do have above ground fire pits for guests to use & these can be arranged at reception, but only when available & if there aren't any local fire restrictions or bans in place.

PLEASE DO NOT DRIVE FASTER THAN 10km PER HOUR when entering our premises at the front reception area & along all our roads. This is for the safety of all guests. All children must wear helmets if riding or scooting in the grounds.
